Hi Betsy,

It was good seeing you on Friday. Thank you for these items now. We'll let folks know the draft material is just for States and EPA at this point.

Thanks.

Kerry

Hi Kerry

Attached are two of the items:

- Frequently Asked Questions
- Part 257 Checklist

Still finalizing the "procedural qs and as" as well as a checklist for the "application".

As we said on Friday, these are still draft and we would appreciate it if they were kept just to State and EPA folks at this point.

Thanks

Betsy

Hi Betsy,

I wanted to let you know that I'll be out this afternoon through Tuesday, April 18, in case the additional drafts for the CCR session will be ready to be sent to us over this time. I'll be checking e-mail while I'm out, but I'm copying Bonnie Buthker and Mike Forbeck on this message so you can reply to all of us with the items.

Hope you have a great weekend!

Thanks.
Kerry
